VICE PRESIDENT MESSAGE

JEEBAN NKUMAR MOHANTY
VICE PRESIDENT

Odisha's association with hockey is not merely a sporting journey; it is a legacy woven into the very fabric of our society. The state's unwavering commitment to the sport, complemented by world-class infrastructure and modern training facilities, has set a benchmark for hockey development across the nation.

Yet, the true strength of hockey lies beyond stadiums and international events—it resides in the villages, schools, colleges, and local communities where young dreams take shape. As we look toward the future, our focus must be on nurturing grassroots talent and ensuring that every aspiring player, regardless of geographical location or economic background, has access to opportunities, coaching, and infrastructure.

The Government, corporate sector, educational institutions, industries, sports organizations, and local communities must work hand in hand to identify, encourage, and support emerging talent. Together, we can preserve Odisha's glorious hockey heritage while building a brighter, stronger, and more inclusive future for the sport. Jai Hockey, Jai Odisha.

Jeeban Kumar Mohanty
Vice President
Hockey Association of Odisha

Several players also made it to the Indian team in the Junior and Sub Junior level as well.

Bijaya Kumar Swain
CEO, HPCO

I am glad to know that Hockey Association of Odisha is conducting its Annual General Body meeting consecutively for 5th year, to discuss the prospective plan of the association.

I am particularly delighted to note the outstanding achievements of our Junior Women's team in securing Gold Medals at the Khelo India Youth Games, Khelo India Tribal Games and Asmkita Junior Women's Hockey League. About 15 players like Shilanand Lakra, Sudeep Chirmako, Amit Rohidas, Nilam Sanjeep Xess, Pratap Lakra and others are in the Hockey India League. The continued representation of Odisha players in Indian national camps and international competitions further reinforces the State's position as a powerhouse of Indian hockey. The Government of Odisha, through HPCO and the Department of Sports & Youth Services, remains committed to supporting initiatives that nurture talent and strengthen the hockey development pathway from grassroots to elite levels.
